

Scarborough & District Civic Society

Scarborough & District Civic Society is an entirely voluntary group of people concerned with preserving our unique heritage and encouraging best practice in the planning of new buildings and open spaces.

Our aims are:

To promote civic pride in the beauty, history and character of Scarborough and its surroundings.

To take an active interest in maintaining those features on which the character of the town depends.

To encourage high quality developments which lead to an improved living and working environment for us to enjoy.

To act as a co-ordinating body and to co-operate with the local authorities, planning committees, and persons having aims similar to those of the Society.
